

# Health & Safety Policy

## Health & Safety Vision

We believe that health and safety is of paramount importance. This policy has been established as part of our commitment to comply with the requirements of the Health & Safety at Work etc. Act 1974 and other relevant statutory provisions. The policy is also a pivotal document in implementing our health & safety management system.

We aim to ensure, so far as is reasonably practicable, a healthy and safe environment for our employees, contractors, suppliers, customers, the general public and all other affected parties.

## Management Statement of Intent and Commitment to Health & Safety

The management team is committed to:

- Providing a framework for setting and attaining objectives
- Providing sufficient resources for the monitoring and management of Health & Safety
- Providing safe and healthy working conditions for the prevention of work-related injury and/or ill-health
- Eliminating hazards and reduce H&S risks
- Continually reviewing & improving of the H&S management system
- Consultation and participation of workers
- Fulfilment of legal and other requirements

## Health & Safety Arrangements

We shall as a matter of course implement comprehensive arrangements that are appropriate, effective and aligned with identified risks. A separate Health & Safety Management Policy shall be maintained to provide clear guidance on our health & safety arrangements.
